SALAR
by Mikael Frodin

SALAR DOUBLE SALMON BLACK/SILVER/GOLD

The new Salar range of hooks designed and used by top Swedish Salmon angler Mikael Frodin. Available in 3 finishes, Black, Silver & Gold. These hooks feature an in-curved point, fine loop 45degree up eye and curved shank. The tapered eye is shaped to allow easy use of the Turlé knot. The combination of traditional and modern technology has enabled us to make this type of eye available again. These hooks are perfect for the devoted fly tier as well as the serious Sea Trout and Salmon angler.
